
INTERNATIONAL
FORUM ON
GLOBALIZATION

The Talking at COP 14 is all but over, Now It's Time for Action!

Join World Future Council Chair **Bianca Jagger**,
acclaimed environmental author and activist **Bill McKibben**,
IFG's **Victor Menotti and Claire Greensfelder**, and
350.org's **May Boeve and Ely Katembo Shabani**
(and special invited guests)
for lively analysis and discussion as we energetically consider
the results of the last two weeks in Poznań
and gear up for the year ahead.

**Topics of discussion include:
strong climate targets, equitable political and economic
frameworks, and global movement building.**
