Jan 29, 3-6pm, Turno: 3  
UFPA Básico, Pavilion: Fb, Sala: F4, Turno: 3, Eixo: 7, Belem, BRAZIL

Together with Chair of the United Nations Permanent Forum on Indigenous Issues, this session will celebrate the passage of the new UN Declaration on the Rights of Indigenous Peoples (UNDRIP).

International indigenous leaders, from Amazonia to Africa, as well as non-indigenous support groups will explain the contents of the UN's newest human rights instrument, and share experiences of how it is already being used on local to global levels.

We will also release a new report from a recent IFG strategy session on implementing UNDRIP, and explore other collaborative actions for applying UNDRIP in the World Bank, WTO, UN climate talks, and other areas.
